

Save the Date - October 21 Union City, IN and OH

Save the Date! October 21st, the third annual Boomtown event, presented by the Union City Community Economic Development Committee (UCCEDC), Greater Indiana Clean Coalition and Clean Fuels Ohio. Union City is ecstatic to bring you another great opportunity to showcase their community and their region as one of the leading renewable energy and alternative fuels regions in the country.

BOOMTOWN III will take place on Friday October 21st from 9 AM - 4 PM at Union City Community High School in Union City, Indiana. Alternative fuels and renewable experts will be on hand to educate, answer questions and display their respective technologies. A "ride-n-drive" will be available at the event, providing attendees the opportunity to drive alternative fuels vehicles such as propane, compressed natural gas (CNG), liquid propane gas (LPG), hybrid electric and electric vehicles.

Small group educational sessions will occur throughout the day on renewable, alternative fuels, economic development growth and local green jobs opportunities. Don't miss this opportunity to take a glimpse into the nation's fastest growing industries.

Industry partners are invited to a informal networking reception at the Winchester Speedway on Thursday October 20th, from 7-10 pm.
